****If registering on-line, you will receive an emailed confirmation that we have received your enrollment submission form. This email will include all information you will need regarding your enrollment for the season.**

NEW CLASS THIS YEAR.... PRODUCTION!! Production class is an extended length dance that will open the show. It typically has a theme involved, and uses many different genres of dance as well as numerous students from varied ages and levels. I would love to get as many students enrolled in this class as possible so we can incorporate as many styles, groups, and ages on the stage together for a fantastic opening number. Please consider this class as an option... It won't disappoint you!
