

FUSION DANCE CENTER

GUIDELINES AND PROCEDURES

- ★ You will need to fill out a brief questionnaire with 3 COVID related health questions every 2 weeks for your child. This will be recorded in their attendance records at the studio
- ★ We will be a drop off only facility. Teachers and students will be the only ones permitted in the building. We will have an assistant on site to welcome your child at the door and to walk them into the studio room. The same procedure will go for dismissal.
- ★ All teachers will have a temperature check before instructing to ensure the safety of the students.
- ★ All teachers and students will sanitize their hands prior to entering class and before leaving the studio with studio provided hand sanitizer.
- ★ We will do our best to maintain social distancing practices by having 6 ft grids taped to the floor that the dancers will select upon arrival.
- ★ Dancers should arrive ready for dance upon entering the building. No street clothes and shoes will be permitted in the studio rooms. Please try to have your children use the restroom before class as to limit the amount of bathroom activity during class.
- ★ Please bring your own masks. Teachers will wear face masks as much as possible during instruction. Masks are required for dancers as they enter the building, but are optional for dancers during class. You will have a designated area for your personal belongings once you enter the studio room.
- ★ Dancers are only allowed in the studio during class times and private lessons. Unfortunately, we cannot have dancers just “hanging around” during classes.
- ★ Door handles, ballet barres, mats, instructional equipment and tools, dance floors and bathrooms will all be cleaned and sanitized by teachers throughout the evening.
- ★ Class sizes will be smaller and limited to 10 students or less.
- ★ In the event that a parent has to enter the building, they will need to have a mask on.

PLEASE UNDERSTAND THAT THESE ARE NOT **MY** SPECIFIC GUIDELINES, BUT GUIDELINES THAT NEED TO BE IMPLEMENTED IN ORDER TO OPEN UP THE DANCE FACILITY. PLEASE REFRAIN FROM ANY NEGATIVE COMMENTS OR PERSONAL OPINIONS ON WHY WE NEED TO COMPLY WITH ALL OF THIS. I SINCERELY APPRECIATE YOUR PATIENCE AND KINDNESS AS WE MOVE FORWARD IN THIS TOGETHER.
